

Boca Park Condominium Association Replacements:

WINDOW REPLACEMENT: Can be Low-E glass but cannot be mirrored glass. Hurricane resistant windows are preferred, if not you will have to have Hurricane protection approved shutters installed.

DOOR REPLACEMENT: Must have white frames. Partial glass is permitted but must be hurricane glass.

GARAGE DOORS: All doors must be uniform to existing buildings (no exceptions); white only.

Note: ALL WINDOW, DOOR, AND GARAGE DOOR REPLACEMENTS MUST BE INSTALLED BY LICENSED CONTRACTORS AND APPROVED BY THE BOARD. Please have your contractor's specifications for your project emailed for review and approval/disapproval to:
